Rug Beater™ Mat & Rug Cleaners

The Most Cost Effective, Efficient Method of Cleaning Mats & Rugs

The **Rug Beater™** is the "standard of the industry". Unlike any other competitive machine, the **Rug Beater™** "BEATS" the dirt, sand, grit, ice, snow, salt, pet hair, and many other substances from the rug, as well as cleans and combs while fluffing, puffing and raising the nap. Again, this is the only Mat Cleaner that REALLY WORKS!!!

JB3866-83MBS
Self Service

• BUSINESS WILL INCREASE

Customers will come back more often because they love getting their carpet mats really clean.

Customers won't have to wait as long because the **RUG BEATER™** speeds up the process.

• FLUFFS & PUFFS MATS

Making the Carpet Mats look like new in seconds.

• AN ATTENTION GETTER

Your customers will be pleased that you are providing a special updated service.
