

BAND-IT®

Valuestraps & Valuclips

BAND-IT's austenitic, non-magnetic stainless steel strapping with Valuclips and the C075 Bantam Tool are used for securing signs, cable-bundling, pipe insulation and a variety of other lightweight applications. Use with the C001 or C075 banding tool. **Note:** Use with Valuclips. Not for hose coupling use. See adjacent page for this application.
