

# Versatile Skid Mount Sprayer Packages for Anti-Ice/De-Ice

**DU 1A202**  
Skid Mount Spray Package with 200 Gallon Tank and PB80R Boom

### SYSTEM FEATURES:

- The compact, heavy-duty welded steel skid frames are made to fit in tight spaces including pickup beds.
- Powder coat paint finish on all models for excellent durability & chemical resistance.
- Skid-Mount Sprayers featuring *Ace* 6E660 centrifugal pump (1-1/2" x 1-1/4") close-coupled to a 5.5 HP *Honda* engine (80 GPM at 40 PSI; 30 GPM at 70 PSI).
- 200, 300 or 500 gallon tanks with vented top lids & molded-in gallonage markers. (300 Gallon Tanks include internal baffle).
- *Hannay* 1500 Series manual hose reel with 300' of 1/2" 600 PSI hose and 17" adjustable spray gun (*Hypro* 3381-10). Great for winter anti-ice/deicing of sidewalks and other tight places, and for summer weed spraying.
- All necessary plumbing including 2" drain-fill valve, 1-1/2" suction, bypass with relief valve & jet agitation system.
- Includes DU PB80R spray boom standard with 12 brass solid stream nozzles (*fan nozzles & stainless boom also available*). Boom snaps into standard 2" receiver hitch.
- Complete control systems included. *See below.*

200 Series Skid Mount Sprayer Dimensions:	UNIT	Length	Width	Height
