What Size Post Guard Do I Need?

If your Diameter Measures	4.5" or less	Greater than 4.5", less than 7"	Greater than 7", less than 8-7/8"	Greater than 8-7/8", less than 10-7/8"
Then Order the	4.5" POST GUARD	7" POST GUARD	8-7/8" POST GUARD	10-7/8" POST GUARD

Installs easily, slides over existing post

Part No.	Size
DB 4552	* 4.5" Diameter x 52" Tall.....
DB 7060	* 7" Diameter x 60" Tall.....

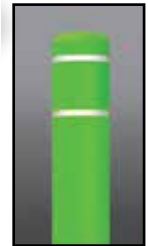

Note: On 10 or more one order, take additional 5% discount

* For these sizes, specify from the following color combinations: Yellow guard with red stripe, yellow with white stripe, white with blue stripe, white with red stripe, blue with white stripe, red with white stripe, black with white stripe, gray with red stripe, green with white stripe, orange with white stripe, brown with white stripe. (For other combinations, add \$4.00 per sleeve).

Part No.	Size
DB 4564	** 4-1/2" x 64" Tall.....
DB 8772	** 8-7/8" x 72" Tall.....
DB 1060	** 10-7/8" x 60" Tall.....

Note: On 10 or more one order, take additional 5% discount

** For these sizes, only color option is yellow sleeve with red stripe. If order is for more than 25 pieces, special colors are available.

How to Figure Which Sleeve Size to Order:

1. Measure the circumference, (distance around the post) you wish to cover.
2. Take that dimension and divide by pi (3.14) to receive the pipe size.
Example: circumference is 21.5"
 divide by 3.14 21.5 divided by 3.14 = 6.8
 pipe size is 6-7/8"
3. The bumper post sleeve you would need is a 7".

Post Guard Covers

Post Guard Covers are protective sleeves that easily fit over posts. They eliminate constant scraping and repainting which saves time and costs. The plastic contains ultraviolet and anti-static additives that withstand extreme temperatures. Custom colors, symbols and company logos are available.
