

Whirl-A-Way Surface Cleaners

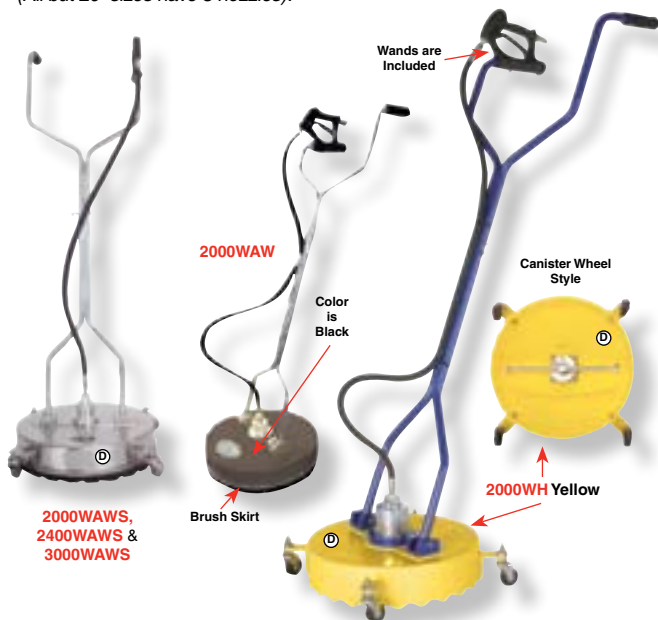

Stainless Steel or Heavy Duty Plastic Cleaners for hard surface cleaning of sidewalks, parking lots, industrial cleaning and more.

20" and 24" models are rated from 4-8 GPM and pressures from 3000 to 4000 PSI.

30" Models are rated from 6-8 GPM and pressures from 3000 to 5000 PSI.

All models feature caster wheels except 2000WAW, which has a brush skirt bottom and acts like a hover craft when operating.

All units are complete with handles, trigger wand, handle hose and 2 or 3 nozzles (All but 20" sizes have 3 nozzles).

Part No.	Pan	Req'd Flowrate	Req'd Pressure	Wt.
BE 2000WAW	20" Poly	4-8 GPM	3000-4000 PSI	35 lbs.
BE 2000WH	20" Poly	4-8 GPM	3000-4000 PSI	37 lbs.
BE 2000WAWs	20" Stainless	4-8 GPM	3000-4000 PSI	31 lbs.
BE 2400WAWs	24" Stainless	4-8 GPM	3000-4000 PSI	34 lbs.
BE 3000WAWs	30" Stainless	6-8 GPM	3000-5000 PSI	42 lbs.

Water Brooms

(High Pressure)

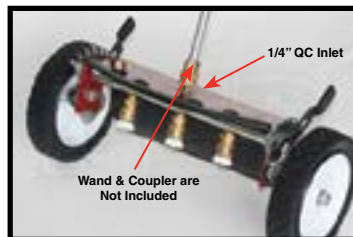

High Pressure Water Brooms feature heavy-duty casters. Just attach to your pressure washer for concrete and pavement cleaning. Available with and without wand extensions. Includes 65 degree stainless nozzles and male quick coupler fitting. Rated to 4000 PSI.

Model 100869 features a 12" wide base, wheels, (3) nozzles, no extension.

Model 100870 features a 16" wide base, wheels, (4) nozzles and 36" wand.

Part No.	Width	Extension
IP 100869	12"	No
IP 100870	16"	Yes

TriKleener Water Broom

TriKleener Water Broom is a flat surface cleaner for parking lots, driveways, sidewalks, patios, decks and more. Just attach to your pressure washer wand for fast, effective cleaning. Saves energy and water. Consistent and even cleaning. Upright operation reduces fatigue and back strain.

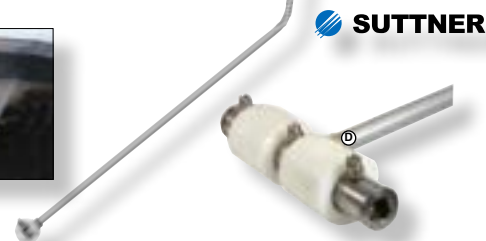

Standard Features include (3) 65°, 1.3 orifice nozzles (easily changed out to match your pressure and flow) • 7" Hard rubber wheels with height adjustment • Commercial grade steel, aluminum and brass construction • Rear water shield • 17-3/4" Wide • Nozzle storage ports for fast nozzle change if needed • Male 1/4" QC inlet • Rated for 2.5 to 6 GPM and 2500 to 4000 PSI. (Wand and coupler not included).

Part No.	Pressure	Wt.
IP 2100306	2500 - 4000 PSI	12 lbs.

Underbody Cleaning Lance

Unique Underbody Cleaning Lance allows for easy washing underneath cars and trucks. Ideal for rinsing and cleaning of mud, snow, dirt and salt buildup. Connects to your existing pressure washer. Ergonomic lance helps to reduce bending over to clean. Includes trigger spray handle, stainless wand, stainless nozzle body, (2) Polyethylene wheels, (3) #2 Nozzles which will flow 4.20 total GPM at 2000 PSI (nozzles can be changed out in the field if higher flow rates are needed). Rated to 3000 PSI, 10 GPM and 300° F. Length is 67". Trigger wand inlet is 3/8" FPT.

Part No.	Length	Max. Flow
NP 297810	67"	10 GPM
