

Planter Tank/Saddle/Strap Kits for Starter Fertilizer

These Planter Tank / Saddle / Strap Kits are Specifically Designed to Fit onto the Planter Models Shown Below

- Models for *John Deere™* & *Bauer* built planters feature yellow translucent tanks for easy viewing of fertilizer levels within the tank. Models for *CASE/IH*, *KINZE* and *WHITE* planters feature white translucent tanks.
- All tanks include proper hose and plumbing poly fittings: **300 Gallon** and larger elliptical tanks include (1) 2" fitting & (1) 3/4" fitting. **150** and **200 Gallon** elliptical/round tanks include (1) 1-1/4" fitting & (1) 3/4" fitting. **100 Gallon** round tanks include (1) 1-1/4" fitting.
- Tanks come with laser-cut saddles and polyester straps.
- All mounting hardware (*zinc-plated steel bolts*) included. No hose or plumbing included.
- Kits for other planter models and grain drills also available.
