

## Micromatic Closed Drum Valves and Couplers for DEF

**Micromatic Couplers** are specifically designed for DEF. Constructed of 304SS with peroxide-cured EPDM Elastomers. Used on many DEF closed transfer tanks to prevent product contamination. *Note: 4 Key is for DEF.*

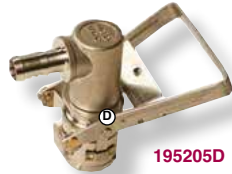

### RSV Drum Valve Reusable Stainless Valve

**195205B Closed Stainless Steel RSV Series Drum Valve.** 2.5" x 5 buttress threads.

195205B

### RSV Dispense Coupler

**195205D Stainless Steel Dispense Coupler.** For closed systems - 3/4" hose barb connection. Used with 195205B drum valve. Dispenses up to 24 GPM. Self-venting.

195205D

### RSV Dispense Coupler

**5662 Stainless Steel Dispense Coupler.** For closed systems - 3/4" FPT 90° Outlet connection. Used with 195205B drum valve. Dispenses up to 24 GPM. Self-venting.

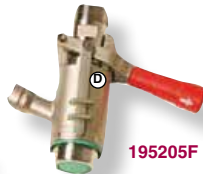

### RSV Dispense Coupler

**5072 Stainless Steel Dispense Coupler.** For closed systems - 1" MPT straight vertical outlet connection. Used with 195205B drum valve. Dispenses up to 24 GPM. Self-venting.

**195205F Stainless Steel Fill Coupler** for filling closed systems using RSV drum valves. Allows approximately up to 49 GPM fill rate, coupler is self venting and has 1" MNPT inlet fitting. Used with 195205B drum valve. 1/4" FPT vapor recovery port.

195205F

### RSV SERIES

Part No.	Description
PJ 195205B	Micromatic 2" RSV "Drum" Valve for DEF.....
PJ 195205D	Micromatic RSV Coupler with 3/4" HB Inlet for DEF.....
PJ 5662	Micromatic RSV Coupler SS with 3/4" FPT 90° Connect.
PJ 5072	Micromatic RSV Coupler SS, 1" MPT Straight Vertical.
PJ 195205F	Micromatic Fill Coupler for DEF (Fill Only).....

- Viton® Available -

## Suction Tubes for RPV/RSV Series Drum Valves

**Poly Flex Suction Tube Assembly for Drums & Totes - RPV or RSV Series. Straight Tubes**

- Flex Tubes Available -

Part No.	Description
PJ 195205-32	Suction Tube For 55 Gallon Drums, 32" x 1"
PJ 195205-40	Suction Tube For 275 Gallon Totes, 38" x 1"
PJ 6790-1135	Suction Tube For 330 Gallon Totes, 45" x 1"

## Micromatic

## Closed Valves and Couplers for DEF

*Note: 4 Key is for DEF.*

### RPV Dispense Coupler

195205P

**195205P RPV Dispense Coupler.** Works with stainless RSV or poly RPV valves, 3/4" Hose barb fitting. Dispenses up to 18 GPM. Self-venting.

### RPV Dispense Coupler

**6905 Dispense Coupler.** Poly dispense coupler. EPDM for closed systems. 1" MPT Vertical straight outlet. Dispenses up to 18 GPM. Self-venting.

### Tamper Evident Cap

195205E

**195205E Tamper Evident Cap.** Protects RPV or RSV drum valves from dirt and debris when the RSV coupler is disconnected. HDPE construction.

### RSV Series Drum Key

**195205C RSV Series Drum Key.** 304 Stainless Steel. For installation and removal of P/N 195205B drum valve. Uses 1/2" socket drive. Poly also available.

### RPV Drum Valve

195205N

**195205N RPV Drum Valve.** Works with stainless RSV or poly RPV dispense or fill couplers.

### NPT Adapter

**560102 NPT Adapter.** Allows the use of buttress threaded pumps to be used on drums with NPT threads. 2.5" Female buttress x 2" MPT.

560102

### Tote Caps

5792 Shown

**901081-A 6" IBC Tote Cap** with (1) 2.5" x 5 female buttress thread. Universal tank cap.

**301-807 6" IBC Tote Cap** with (1) 2.5" x 5 female buttress thread. *Schutz Tanks Only.*

**5792 6" IBC Tote Cap** with (2) 2.5" x 5 female buttress thread.

Part No.	Description
PJ 195205P	RPV Dispense Coupler, 3/4" Hose Barb.....
PJ 6905	RPV Dispense Coupler, 1" MPT Straight.....
PJ 195205E	Tamper Evident Cap, Red, HDPE.....
PJ 195205N	RPV Drum Valve.....
PJ 195205C	RSV Series Stainless Drum Key.....
PJ 5541	RPV Series Poly Drum Key.....
PJ 560101	Adapter, 2.5" x 5 Male Buttress x 2" FPT.....
PJ 560102	Adapter, 2.5" x 5 Female Buttress x 2" MPT.....
PJ 901081-A	Tote Cap with (1) 2.5 x 5 Buttress Opening. Universal Tote Cap.....
PJ 301-807	Tote Cap with (1) 2.5" x 5 Buttress Opening for Schutz Tanks.....
PJ 5792	Tote Cap with (2) 2.5" x 5 Buttress Opening.....
PJ 2DV4-001	4-Key Rinse Socket, 304SS, EPDM, Wall Mount.....
PJ 5356	4-Key Wall Mount Socket, 304SS.....
