

## UTV Skid Sprayers

**Spray Like A Pro & Leave No Hillside, Pathway or Fence Line Untreated!**

These UTV Sprayers offer superior performance with off-road convenience for all your farm, ranch, utility, turf, and liquid deice applications. All units feature low-profile *Tru-Kleen™* tanks, 4 HP *Honda GX120* engines, 22 GPM centrifugal pumps, remote drains, and high-quality *TeeJet* & *Banjo* plumbing components. Standard with spray wand and hose reel with 50 ft. of 3/8" hose for spot spraying ease. Manual control units include an adjustable Swing-Away Control Arm with Master shutoff valve and pressure gauge. Electric Control models include *Texas Industrial* or 744A *TeeJet* Controllers and are available with sectional control. Multiple spray boom and boomless spray system accessory options available for all UTV sprayer models. **Booms and accessories sold separately.**
