

12 Volt Ball Valves

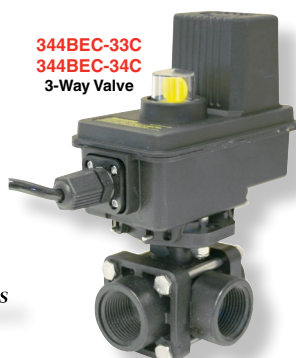

These 12 Volt Ball Valves are commonly used in a wide variety of spraying applications including Soft Wash. Popular brands *Spraying Systems (TeeJet)*, *Banjo* and *KZ* are shown. Most are 2-Way valve, but 3-Way are also shown. Components are designed for a variety of chemicals and solutions.

TeeJet 344BEC - 12-Volt DC Operated

2-Way & 3-Way Electric Ball Valves

- 3/4" or 1" FPT Ports.
- Pressures to 300 psi.
- Wetted Parts: Nylon, Teflon, Polypropylene, Viton® & S.S.
- 12-Volt DC operation.
- 5 PSI pressure loss for 32 GPM flow.

Spraying Systems

Part No.	Description
SS 344BE-24C	2-Way Valve with Double Pole SW, 1" FPT
SS 344BEC-24C	2-Way Valve with Single Pole SW, 1" FPT
SS 344BEC-33C	3-Way Valve with Single Pole SW, 3/4" FPT
SS 344BEC-34C	3-Way Valve with Single Pole SW, 1" FPT

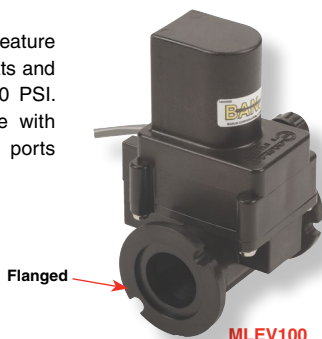

LEV Series 12 Volt Ball Valves

LEV 12-Volt Valves from Banjo feature polypropylene bodies, TFM seats and EPDM seals. Pressures to 300 PSI. 3-Wire configuration. Available with flange, FPT or push-lock tube ports as shown.

FPT

Part No.	Size	Ports	PSI
TK LEV025PL	1/4"	Push Lock	300
TK LEV038PL	3/8"	Push Lock	300
TK LEV038	3/8"	FPT	300
TK LEV050	1/2"	FPT	300
TK MLEV100	1"	Flanged	300

12 Volt EVX Series Ball Valves

- Polypropylene Bodies
- -20° F. to +150° F.
- 316 Stainless Steel Ball & Stem
- Teflon Seats
- Viton® O-Rings
- 12-Volt Off/On
- FPT Ports
- 2-Way

Part No.	Description	FPT	PSI	Wt.
TK EVX071	Off/On Valve	3/4"	300	4 lbs.
TK EVX101	Off/On Valve	1"	300	4 lbs.
TK EVX151	Off/On Valve	1-1/2"	300	4 lbs.
TK EVX121	Off/On Valve	1-1/4"	300	4 lbs.
TK EVX300	Off/On Valve	3"	150	9 lbs.

Electric Actuated Valves

88 Series: Stainless steel 2-way ball valves are specifically engineered for high pressure applications. Available in 1/2" full port & 3/4", 1", 1-1/2", and 2" standard port. Rated 2000 PSI (1/4" - 3") and 1500 PSI (1-1/2" & 2"). Feature 12/24V DC actuator with 0.5 to 8 second close times.

Part No.	Port Size/ Type	Valve/Actuator Type	On/Off or Regulating	Sec. to Close	Volts
KZ 88D33-1CE9S-D01	1/2" FPT	*Stainless Ball Valve	On/Off	0.7	12/24
KZ 88I22-10DW0-PF1	2" FPT	Stainless Ball Valve	On/Off	3	12

*Features EH9 Series Actuator; does NOT include wiring harness - sold separately.

Excellent Technical Support

"Excellent technical support, same day shipping."
