

Super Nurse / Transport Tanks

Perfect for nurse applications, **Snyder Super Nurse Tanks** are constructed of high-density polyethylene with UV inhibitors for long-lasting performance. Available in sizes from 715 gallons to 3400 gallons. Rated to 13 lbs./gal. (16 lbs./gal available). Built with 2" or 3" bolted fittings and siphon tube opposite lid. **Center Drain Super Nurse Models** include center drain sumps with 2" total drain bolted outlets and 18" lids. All nurse tanks feature molded-in gallonage markers, vented screw on and hinged leak-proof lids, recessed areas for steel tie downs, and molded-in baffles to reduce sloshing. Standard color is white (other colors available). **Tank Warranty is 3 Years**

Shown with Trailer & Plumbing - Not Included

SUPER NURSE TANKS - NO SUMP
