

Pressure Washer Hoses - Kevlar -

BluShield Pressure Washer Hoses with *Kevlar* braid reinforcement are the Lightest, Strongest and most Flexible Pressure Washer hoses made. Super Flexible even in cold weather, (-20F). Easily handles Hot or Cold Water applications. Available in standard Black or Non-marking Grey covers. When you compare all of these features and want the best overall pressure wash hose for your operation, specify BluShield pressure wash hose.

- *Kevlar/Aramid* braid is 35% lighter and 5 times stronger than wire braiding
- 4100 psi working pressure
- Rated from -20° F to +250° F.
- Abrasion resistant wrapped covers
- Ozone resistant for outdoor use
- 100% rubber, Kink resistant construction
- 3/8" Swivel x solid ends with Bend restrictors to reduce stress at the fittings
- Extreme flexibility means effortless coiling and ease of handling
- 16,400psi burst rating, (4:1 ratio)
- Added Safety: Does not conduct electricity like wire braid hoses
- More Safety: No wire shards that can come up through the cover
- Industry leading 1-year warranty
- (Note: Not rated for steam service)

Part No.	Length	Color	Weight
RX PW3835	3/8" x 35'	Black	2.5 lbs.
RX PW3850	3/8" x 50'	Black	3.2 lbs.
RX PW38100	3/8" x 100'	Black	6.0 lbs.
RX PW3835NM	3/8" x 35'	Grey	3.0 lbs.
RX PW3850NM	3/8" x 50'	Grey	3.5 lbs.
RX PW38100NM	3/8" x 100'	Grey	6.5 lbs.

BluShield Spring Rewind Hose/Reel Assemblies

Heavy-duty, Dual arm hose reels. Spring Retractable design features 18-gauge Powdercoated steel or 304 Stainless steel construction. Heavy-duty spring and 12 point ratchet helps to easily lock out reels for shorter hose lengths when needed. Special internal system reduces vibration for quieter operation and longer spring life. Reels can be easily mounted to walls, floors, ceilings or trailers. Great option for direct use or to feed portable pressure washers for added hose lengths.

All assemblies include Reel, 6ft feed hose, Hose guide roller, Hose stop, Kevlar braided 3/8" x 50' or 100' black or grey hose, bend restrictors and 3/8" Mpt solid x swivel ends. Rated to 4100psi and 250F Unmatched 1-year factory warranty.

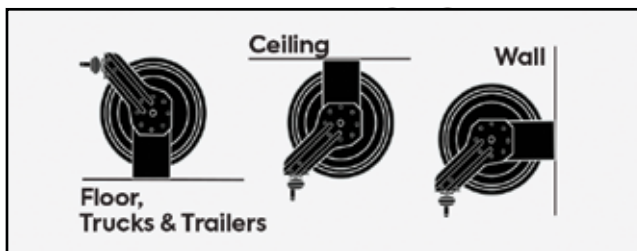

Compact design. Reels with 50ft hoses are 16-1/4" high x 6" wide x 17 1/2" deep. Reels with 100ft hoses are 19-3/4" high x 7-1/2" wide x 19-1/2" deep.
