

## 200 & 300 Gallon Skid Mounted Spraying Systems

### For Weed, Insecticide, Fungicide & Fertilizer Spraying

**Standard Features for all units include:** Heavy-duty welded steel frame that is 34" wide x 72" long x 50" high (93" long on the 300 gallon units) • Powder coat paint finish for extra durability • 200 or 300 gallon poly tanks • Vented top lids and gallonage markers • Hannay hose reels with 300' of 1/2", 600 PSI hose • All skid units include pump, strainer, valves, agitation, pressure regulator, gauge (when required) and spray wand. Skid units with electric hose reels include roller and spool assembly.

**Note:** These skid units can be customized with any pump unit fitting on a 12" x 30" baseplate.

**These compact sprayers are made to use in tight spaces.**

1A021

## 200 GALLON UNITS

**1A021 Standard Features:** Hypro 7560XLR pump with 4.8 HP Honda • 200 Gallon Tank • 11.2 GPM at 150 PSI • 12 volt hose reel with 300' of 1/2" 600 PSI hose and spray wand.

**1A022 Standard Features:** Hypro 1502XL pump with 8.4 HP Honda • 200 Gallon Tank • 21 GPM @ 150 PSI • 12 volt hose reel with 300' of 1/2" 600 PSI hose and spray wand.

**DU1A000-LP Standard Features:** AR80-LP Diaphragm Pump with 4.8 HP Honda • 200 Gallon Tank • 20 GPM @ 290 PSI • 12 volt hose reel with 300' of 1/2" 600 PSI hose and spray wand.

**1A000 Standard Features:** AR403 diaphragm pump with 4.8-Hp Honda • 200 Gallon Tank • 10 GPM at 580 PSI • 12 Volt hose reel with 300' of 1/2" 600 PSI hose and spray wand.

**1A001 Standard Features:** AR503 diaphragm pump with 8.4 HP Honda • 200 Gallon Tank • 14 GPM at 580 PSI • 12 Volt hose reel with 135' of 3/4" 600 PSI hose and spray wand • **Electric start unit - 1A001E**

**1A012 Standard Features:** AR1064 diaphragm pump with 20 HP Honda electric start • 200 Gallon Tank • 28 GPM at 580 PSI • 12 Volt hose reel with 200' of 3/4" 600 PSI hose and 21" adjustable spray wand. Best selection for tree spraying.

| Part No.    | Gallons | Standard Pump    | HP   | Wt. Lbs. |
|-------------|---------|------------------|------|----------|
| DU 1A021    | 200     | 7560XLR Roller   | 4.8  | 400      |
| DU 1A022    | 200     | 1502XL Roller    | 8.4  | 425      |
| DU 1A000-LP | 200     | AR80 Diaphragm   | 4.8  | 400      |
| DU 1A000    | 200     | AR403 Diaphragm  | 4.8  | 400      |
| DU 1A001    | 200     | AR503 Diaphragm  | 8.4  | 550      |
| DU 1A001E*  | 200     | AR503 Diaphragm  | 7.9  | 550      |
| DU 1A012    | 200     | AR1064 Diaphragm | 20.3 | 600      |

**Note:** Side mount reel configuration available; right side rear when viewing pump end. Other Variations also available.

\* Electric Start Engine.

## 300 GALLON UNITS

**DU SM300-3C5 Standard Features:** Hypro 6500 Roller Pump with 4.8 HP Honda • 300 Gallon Tank with Internal Baffle • Manual hose reel with 300' of 1/2" 600 PSI hose & 17" adjustable spray wand • Rated to 7.7 GPM @ 150 PSI.

**DU SM300-5076 Standard Features:** Hypro 7560XLR Roller Pump with 4.8 HP Honda • 300 Gallon Tank with Internal Baffle • Manual hose reel with 300' of 1/2" 600 PSI hose & 17" adjustable spray wand • Rated to 11.2 GPM @ 150 PSI.

**DU SM300-8015 Standard Features:** Hypro 1502XL Roller Pump with 8.4 HP Honda • 300 Gallon Tank with Internal Baffle • Manual hose reel with 300' of 1/2" 600 PSI hose & 17" adjustable spray wand • Rated to 21 GPM @ 150 PSI.

**DU SM300-AR80 Standard Features:** AR80-LP Diaphragm Pump with 4.8 HP Honda • 300 Gallon Tank • Manual hose reel with 300' of 1/2" 600 PSI hose & 17" adjustable spray wand • Rated to 20 GPM @ 290 PSI.

**DU SM300-AR30 Standard Features:** AR403 Diaphragm Pump with 4.8 HP Honda • 300 Gallon Tank with Internal Baffle • Manual hose reel with 300' of 1/2" 600 PSI hose & 17" adjustable spray wand • Rated to 10 GPM @ 580 PSI.

**DU SM300-AR50 Standard Features:** AR503 Diaphragm Pump with 8.4 HP Honda • 300 Gallon Tank with Internal Baffle • Manual hose reel with 135' of 3/4" 600 PSI hose & 17" adjustable spray wand • Rated to 14 GPM @ 580 PSI.

| Part No.      | Standard Pump   | Tank       | Wt. Lbs. |
|---------------|-----------------|------------|----------|
| DU SM300-3C5  | 6500 Roller     | 300 Gallon | 750      |
