

Skid Jetter Machines

Perfect Choice for Your Sewer / Jetting Needs!

High Quality, High Pressure Skid Jetters from *Easy-Kleen* are the perfect choice for your sewer/jetting needs. Heavy-duty, powder-coated frames are designed to fit into vans or pickup trucks or can be mounted on trailers. *General Triplex* plunger pumps are driven by gas or diesel engines as shown.

Optional "Remote Control" panels for activation of hose reel, engine off, engine speed and pressure on/off are available for both models so you don't need to be at the truck to operate these functions.

J3512G Van Pack Jetter Unit is designed with the perfect footprint for mounting in cargo vans or pickup beds. *Note: The design of this model was heavily influenced by an actual operator that has over 5 units in use on a daily basis and highly recommends them.*

Standard Features Include:

- Gearbox Drive *General Pump*
- 35 HP *Vanguard Gas Engine* with Electric Start
- 12 Volt Hose Reel with Hose Guides
- 300' of Jetter Hose
- Foot Control Pedal
- 200 Gallon Water Tank
- 10 Gallon Fuel Tank
- Fork Posts in Frame for Loading & Unloading If Necessary
