

# E3711 PIUSI SELF SERVICE B.SMART – Diesel Dispenser & Fuel Management

**Integrated Diesel Dispenser with B.SMART Fuel Management Systems** offer compact, all-in-one fuel management systems—no software installation required—providing real-time remote feedback and scalable control for fleets of any size while monitoring, recording, and delivering high-performance diesel transfer.

## PUDVSSBS **NEW**

## **NEW** PUCUBE70BS

**B.SMART Self Service** heavy-duty diesel dispenser with built-in filter for Fleet, Off-Road, Industrial applications.

### Sturdy & High-Performance

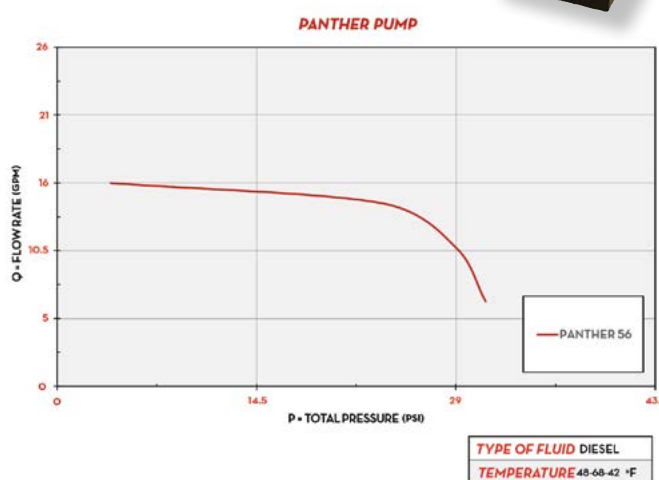

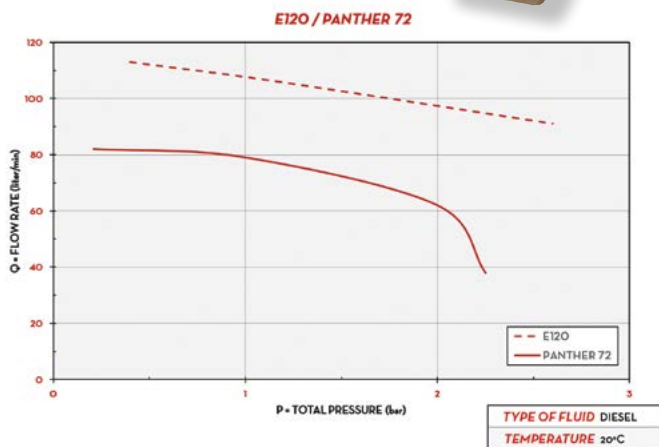

- E120 High-flow vane pump with built-in bypass delivers up to 24 GPM.
- 120VAC, self-service operating system, Max 3.3 Amp draw.
- $\pm 0.5\%$  accuracy in fuel measurement.
- 14°F - 140°F Operating Temperature (-4°F - 140°F Storage Temp)/Max 90% Relative Humidity.
- A120 Automatic nozzle with swivel connection for easy, ergonomic handling, 1-1/2IN BSP Nozzle Inlet, 1 IN x 13 FT hose.
- 30 micron water-absorption filter for clean fuel delivery.
- IP55 Rugged construction, including built in panel shutter, for reliable operation in any work environment. For underground and above ground tanks.
- Supports up to 50 Drivers.

**CUBE 70 B.SMART** compact diesel dispenser for Fleet, Garage Equipment, Agriculture, Off-Road applications.

### Sturdy & Compact

- Panther 56 Self-priming, volumetric, rotary vane pump with built-in bypass delivers up to 15 GPM, for Diesel Fuel.
- Anti-vibration support ensures quiet operation, while the sealed, thermally protected motor provides reliable, safe performance.
- Continuous Duty, 120VAC, self-service operating system, Max 7.5 Amp draw.
- Inspectable Mesh Screen Filter to prevent blockages.
- $\pm 0.5\%$  accuracy in fuel measurement.
- 14°F - 120°F Operating Temperature (-4°F - 140°F Storage Temp)/Max 90% Relative Humidity
- IP55 Rugged construction, including built in panel shutter, for reliable operation in any work environment
- A60 Automatic Swivel Nozzle (1 IN NPT) with 1 IN x 13 FT hose
- Supports up to 50 Drivers
- PEDESTAL NOT INCLUDED

\*NOT suitable for Gasoline or other flammable liquids.

Dultmeier Sales engineers and builds a large variety of pumping systems, including "Custom Packages" to meet your unique needs. We build centrifugal, gear, diaphragm, fuel and DEF pumping systems. We also build Liquid De-Ice & turf / tree sprayers, chemical inductors, manifolds, load arm systems & more.
