UberFlex™ Wash Down Hoses

Fiber Braid • 140° F. • 5 Times the Life of Rubber

UBERFLEX™ Hoses are the most flexible pressure wash hoses in the industry. Revolutionary, patented **cold water** pressure washer hoses feature superior resistance to kinking and abrasion. Lightweight and easy-to-handle, but with heavy duty performance and long wear life. Flexibility of more like an extension cord than a hose.

Perfect for most **cold water** pressure washer and cleaning applications up to 140° F. Available in 3/8" black or blue fitted assemblies with 3/8" MPT solid x 3/8" MPT swivel ends and 2 bend restrictors. Also available in 1/4" size with M22 ends as common replacements for many of the smaller pressure washers sold in the market.

1500-25BL
Blue Hose
Assembly

Chemical-resistant, rubberized thermoplastic tube, dual-ply fiber-braid reinforcement and abrasion-resistant polyurethane cover are standard features. Won't kink like wire braid hoses. UV and ozone-resistant. Five times the abrasion resistance of rubber covered hoses. Rated to 4000 PSI and up to 140° F. (not for hot water or steam). **Made in USA.**

Fitted Hose, 3/8" Solid X 3/8" Swivel Ends With Bend Restrictors As Noted.

BWV Pressure Wash Hoses

Fiber Braid • Rated to 3000 PSI • 250° F.

Up to 6 Times the Life of Rubber

- Stainless Fittings -

These unique hoses are ideal for use in car washes, truck washes, tunnel prep systems and pressure washers. Blue transparent, polyurethane cover with polyester braids. Non-marking, kink and abrasion resistant and ultra flexible. Abrasion tests show these hoses will outlast rubber hoses by up to 6 times.

All hoses come with stainless solid x solid male fittings with bend restrictors on each end. Available in 1/4" or 3/8" sizes in a variety of lengths. Rated to 250° F. and 3,000 PSI. **Not for use with steam. Bulk hose available - Call for details.**

CleanStream™ Pressure Washer Hoses

Wire Braid • 140° F. • 4000 PSI • 5 Times the Life of Rubber

Unique, High Performance Cleaning Hose is designed and tested to last over 5 times the life of standard rubber hose. Ideal for car wash, truck wash and cold water pressure washers (rated to 140° F.). Proprietary, smooth matte cover is **non-marking**, UV resistant and **extremely abrasion-resistant**.

One-Wire construction is rated to 4000 PSI and is flexible and kink-resistant even in cold weather. Super smooth innertube means less pressure loss and increased performance. Overall weight is up to 30% less than conventional rubber hoses. Available in 3/8" I.D. with 3/8" MPT ends and (2) hose savers. Non-marking feature is standard in all three colors. **Made in USA.**

Monster Pressure Wash Hoses

Wire Braid • Rated to 4500 PSI • 140° F.

5 Times the Life of Rubber

MONSTER Cold Pressure Wash Hoses are the perfect choice for

cold water pressure washers with operating pressures up to 4500 PSI and temperatures to 140° F. Translucent, polyurethane cover is non-marking. Abrasion-resistant and flexible. Double steel braid construction. Abrasion tests show these hoses will outlast rubber hoses by 5 to 6 times. Non-marking, smooth, bronze translucent cover.

These unique hoses come in a variety of lengths and are standard with *3/8" male x 3/8" female **Quick Couplers** and bend restrictors on each end.

Part No.	* Size	Length	Max. PSI	Color	Wt.	Net Ea.

Armor Pressure Wash Hoses

Wire Braid • Rated to 4500 PSI • 250° F. •

5 Times the Life of Rubber

ARMOR Abrasion-Resistant Pressure

Wash Hose rated for Hot or Cold

water applications. Smooth, polyurethane cover is kink resistant, non-marking and abrasion-resistant. Far longer wear life than standard rubber hoses (up to 6 times). Double steel braid construction. Rated to 4500 PSI and 250° F. *All sizes come standard with 3/8" male x female **quick couplers** and a hose saver on each end.

Smooth, grey, non-marking covers make clean up very easy when putting back onto reels. Lighter weight than rubber hoses, but with much longer wear life. Standard color is grey. **Not for use with steam. Made in USA.**
